DE BRAYE

1. Honour committee

French Orienteering Federation (FFCO) is very glad to welcome the best mountain bike orienteers' in the world in Orleans' area and in the Loire valley. The Loire valley is a very attractive place for sightseeing. The Loire Châteaux are dotted throughout the Loire valley, and these jewels of the Renaissance contribute to the fame of the Val de Loire, which has been listed as a World Heritage Site by UNESCO.

We hope you enjoy your stay in France and wish you a very good competition.

Michel EDIAR

President of the French Orienteering Federation

Centre Val de Loire region and the Loiret district are famous for its fairy-like castles, small villages of charm, beautiful historical cities, its sumptuous gardens and its edges of the Loire. The Loire Valley is the largest World Heritage Site by Unesco in France.

Orléans forest is the largest forest area of France. It is the ideal place to organize very large competitions. Thanks to the city of Orléans and the different municipalities of the Orléans agglomeration, all COPS91 and ASCO Orléans volunteers and those of other clubs who have joined us in this adventure are ready to meet the challenge of organizing these MTBO World Master Championships, MTBO European Championships and MTBO O'France.

Both clubs have established the last couple of years a strong alliance and are working to welcome you and to help you to discover the still secret paths of superb Orléans forests. All is joined together so that your participation remains an unforgettable memory in the competition but also in tourism.

Franck REINEN

President of the organizing committee (COCICOVTT2017)

Doping is strictly forbidden. The IOF Anti-Doping Rules apply to this IOF World Cup MTBO. The organizers of World Cup MTBO are dedicated to supporting the anti-doping authorities in their work. Doping controls may be carried out any time during the competition period. As some sites for the doping controls may be a few minutes' drive away, we suggest that athletes are prepared at all events to take along some dry clothes to change into after their race.

Doping tests are always carried out in accordance with the procedures described in the WADA International Standard of testing.

Athletes who are selected for the doping tests must bring an official identification (with photo) to the doping test area. Accreditation cards with photo can also be used for this purpose. The athlete should also bring along their therapeutic use exemption (TUE) if applicable. In general, it is advisable that the athletes bring along their ID to all the competitions and events."
