RESULTS

In the personal rate places are distributed according to the total time from each of three stages of the competition "Open Grodno Cup - 2017" (MAIN RANK).

Results among teams are defined on the biggest sum of points in 3 events – total points of 10 best participants from the team in any group, according to the table of points.

In case of equal sum of points preference is given to a team having more first places (then second, third, etc.).

In the "Model event" places are distributed according to the total time from each of two stages of the competition.

In the "Race of Champions" will be awarded 10 athletes showed the best results in the overall classification.
