# **CĒSIS WELCOMES YOU!**

Our city has the strength of nine centuries behind it. We are the birthplace of the Latvian national flag and we are a proud city. Proud but welcoming. And we are delighted to welcome the world's best orienteers as well as the participants of the OPEN race.

We have made sure that the WCUP2017 participants see the best our region has to offer – the courses planned through the most picturesque locations in Latvia. Thus making sure that not only will the event be memorable, but also unique and breathtakingly beautiful.

Cesis has a long tradition of orienteering sport, with many of the best Latvian orienteers calling our city home, and this is the second time we have the honour of hosting an event of this calibre. I am sure you will appreciate the effort we have put into organising Orienteering

World Cup 2017, and I am sure you will return here again to enjoy the nature around steep slopes and ravines of the ancient Gauja river valley and the rich atmosphere of the Cesis old town.

Enjoy Cesis, enjoy the competition and best of luck to all of you!

# Jānis Rozenbergs

Chairman of the Cesis City Council

# **VENUE / CĒSIS**

Cēsis is truly not only one of the oldest but also one of the most Latvian towns. Rich in picturesque landscapes and testimonies of the past, it embodies both an intriguing sense of antiquity and modern self-esteem. Cēsis and its district are among the most attractive temptations for travellers in Vidzeme. In all seasons people who appreciate the historical and cultural heritage, natural beauty of the landscape and the peaceful small town life rhythm, visits Cēsis.

Since long ago Cēsis is known as the town rich with its cultural and historical heritage, art treasures and excellent cultural traditions and it has not been concealed from the eyes of travellers. The values on which the district of Cēsis bases its future is culture, education, tourism and creative entrepreneurship.

Cēsis – it is a celebration – contemporary art exhibitions during Cēsis Art Festival time, medieval activities and knights in Medieval festival, and the warm summer evening concerts on open-air stage in the Castle Park. Cēsis – one of the most beautiful towns of Latvia. In summer it tempts with the unspoiled nature of the Gauja Valley, breath of the Middle Ages and modern art, and in winter - invites us to visit the largest ski centre in the Baltics which impresses with its variety of tracks and the longest descents in the region.

Cēsis was founded in 1206 and it is the third oldest town in Latvia. According to the evidence, Cēsis was inhabited from the fourth century. It experienced a rapid growth in times of the Livonian Order, when the town became the capital of Livonia and the main centre of development of Vidzeme. In 1323, Cēsis obtained town rights. Since the 14th century, Cēsis is a member of the Hanseatic League. Since the end of the 19th century Cēsis is known as a centre of art culture and recreation, and now Cēsis is an important cultural and artistic centre on the regional and the national level. The cultural environment of Cēsis is influenced by cultural and historical heritage, made up by Cēsis Medieval castle, the Old town of Cēsis with the remaining street network, masonry, ancient manors and wooden villas built on the banks of river Gauja.

## PAYMENTS

Prior to granting accreditation to team members, all payments need to be settled. It will be possible to settle any outstanding payments upon accreditation. No cards accepted, cash only.

# **TEAM MATERIAL AND INFORMATION**

After having finalised their accreditation at the Event Centre, the teams will receive their information packages. The set will contain:

- 1) Bulletin 4
- 2) SI-AIR for each athlete, together with a list of numbers and corresponding names. They are the same for all races. Please do not mix them up.
- 3) Model maps.
- 4) Car passes for the Arena Parking (Middle, relay)
- 5) Other information about Cesis
- 6) Souvenirs

A runner should use only his or her own number bib: the number bibs will be available in the quarantine area before the race. The number bibs should be attached both in the front and on the back, and the number should be clearly visible. It is not allowed to fold the number bib to a smaller size or to cut off a part of it.

All updated information about the competition is in Bulletin 4. Any additional information for each specific race will be provided during the TOM. To run the TOM efficiently and smoothly, team officials are requested to send in their questions no later than 1 hour before the beginning of the meeting, that will allow to include all relevant issues in agenda of the TOM. The questions are to be addressed to Guntars Mankus to e-mail: guntars@bkc.lv, or by calling+371 29118479.

### **ANTI DOPING**

Doping is forbidden. "Think positive – test negative"! Doping is strictly forbidden and the organisers of the World Cup Round 3 are dedicated to supporting the anti-doping authorities in their work. Doping tests are always carried out in accordance with the procedures described in the WADA International Standard for Testing and Investigations. The IOF Anti-Doping Code and rules and the World Anti-Doping Code apply as of 1st January 2017. Athletes who are selected for the doping tests must bring an official identification (with photo) to the doping test area. The athlete should also bring along their therapeutic use exemption (TUE) if applicable. In general, the athletes must bring along their ID with photo to all the competitions and events. For more information, please consult: <a href="http://orienteering.org/anti-doping/">http://orienteering.org/</a> anti-doping/ IOF Anti-Doping Rules apply, valid as of January 1, 2017.

Note that, even if the IOF or the organizer have not ordered any tests, anti-doping control can be conducted by other organizations (Anti-doping department of State sports medicine centre in Latvia) without any prior notice.

# **IOF LICENCE**

Only athletes with a valid IOF Licence are allowed to start.

Licence form and Licence payment should be addressed to IOF Office, at the latest, 10 days before the Event to assure a valid licence at the start of the Event. Late licence applications must be addressed to iof@orienteering.org For more information, please consult: <u>http://orienteering.org/athletes-licence</u>

# **COMPLAINTS AND PROTESTS**

Complaints should be handed to the organizer in written form as soon as possible after the incident in question, or at latest within 15 minutes of full preliminary results for both classes being posted. Forms for complaints/protests are available at the information desk at the Event Centre. At the competitions, contact the Event Office at the arena. Any protest shall be presented in writing to the jury no later than 15 minutes after the organiser has informed the complainant of the decision about the complaint. A protest fee of 50 EUR shall be paid to the IOF Senior Event Adviser in cash when making a protest. The fee will be returned if the protest is accepted by the jury. When a protest is signed by more than one Federation, each Federation shall pay the protest fee.

# **MEDICAL CARE**

An emergency medical team will be present in the arenas during competitions. In case of injury during the race, the location of the injured athlete should be reported to the closest organiser near a control or at the finish. Every competitor is obliged to assist the injured athlete in the forest. First aid and evacuation is arranged by the emergency medical brigade. In case of any trauma or illness outside the competition hours, please refer to state medical care institutions.

The official prize-giving ceremony will be held after the official results have been approved. The individual athletes and teams placed 1-6 are requested not to leave the Arena before the prize-giving ceremony.

# **TRANSPORT AND PARKING**

Teams are responsible for organising their own transport. Please follow the signs for parking in the arenas and at quarantine.

# **RULES AND PARTICIPATION**

The Competition Rules for IOF Foot Orienteering Events (valid from 1 January 2017, as published on the IOF website www.orienteering.org) apply to all competitions.

Middle distance competition. The start order is determined strictly by the standing of the IOF Middle/Long Distance World Rankings as published on 23rd August 2017\* (leader starts last). The start interval shall be 90 seconds.

Sprint competition with a qualification and final. The qualification shall consist of three heats, drawn according to the provisions of rule 12.8 (in particular, that as far as possible, the heats shall be equally strong and that athletes from any one country should be distributed as equally as possible between the heats), except that two competitors from the same country may start consecutively in the same heat. The starting order in each qualification race is determined strictly by the standing of the IOF Sprint World Rankings as published on 25th August 2017 (leader starts last) with a start interval of 1 minute. The leading 15 athletes from each heat gualify for the A final and the remaining competitors qualify for the B final, with the starting sequence in each final as determined by rule 12.9. In relay all Federations can start with a maximum of 3 men's and 3 women's teams. Each team consists of 3 team members. Only the best-placed men's team and best-placed women's team of each Federation will count for the World Cup result list. Teams with runners from more than one Federation (but still with 3 team members) may participate in relay but will not be placed in the results.

# **TRAINING OPPORTUNITIES**

A variety of training possibilities may be prepared before the competitions on request. Examples of training possibilities are available in event website - http://wcup2017.lv/training-opportunities. Contact: Ritvars Karpikovs, trainings@woc2018.lv, +37128279260.

# **EMBARGOED AREAS**

Embargoed areas apply to all potential Orienteering World Cup 2017 Round 3 competitors, team officials, and other persons who, through knowledge of the terrain, may influence the results of the competitions or may be in a position to give information to the team members. The embargoed area can be viewed at http://www.wcup2017.lv/ ?ucat=2

# **MODEL EVENT**

One Model Event is organised. The maps will be in the team packaged, to be handed out upon accreditation. There are 10 controls with flags in the terrain without punching stations. The location of parking area: 57.3129335, 25.2236827 (Kvēpenes iela 4, Cēsis).

# **ACCOMMODATION AND FOOD**

Accommodation booked through organisers should be paid before arrival by bank transfer. It will be possible to pay in the Event Center only in cash.

Please request your reservation by sending e-mail to accommodation@woc2018.lv

Reserved dates are 23-27.08.2017. If additional days are needed, please let us know ASAP, as places might not be available closer to summer!

Food court will operate at Arena Ozolkalns. At Arena Cēsis additional food court will not be organized as there are many dining opportunities in Cesis city.

Where to eat in Cesis - http://turisms.cesis.lv/en/where-to-eat/

More information can be found at http://wcup2017.lv/accomodation/

# **CLOTHING**

There are no regulations regarding clothing.

# PUNCHING, TIMING SYTEMS AND GPS TRACKING

# Punching

SPORTident Air+ (SIAC) touch-free punching system will be used in all disciplines. Air+ chips will be provided by the organisers. In the unlikely situation of SIAC failing to register in touch free mode, the competitor has to perform the direct punch by placing the SIAC chip into SPORTident station. If station fails to respond then backup mechanical pin punch on the map should be made.

# Timing system

SPORTident timing system will be used. In middle, relay and sprint qualification the timing will be done to whole seconds and the competitors time will be measured when crossing the finish line, no additional finish punch is required. In sprint final timing with 0,1s accuracy will be done and start gate for start time trigger will be used.

# **GPS** tracking

40 athletes in each class in middle and sprint final will be GPS tracked as well as selected number of relay teams. If an athlete is selected for GPS tracking he/she must carry the GPS-device. Athletes selected for GPS tracking will be published together with the start lists. GPS vests for selected runners needs to be collected by competitors or team leaders at Quarantine check-in and returned after each race. Team will be charged for not returned vests. Notice that only non-permanent adjustments to the vests with tape or similar are allowed. GPS devices will be given out by organisers at the start and collected at the finish.

Fine for not returned, lost or broken SIAC, GPS or GPS vest - 100eur.
