

## Federation Team Quota

### Nokian Tyres World Orienteering Championships Riga Sigulda - Latvia 2018

#### About this document

The number of competitors per Federation is limited according to annually published quotas based on IOF Rules and Special rules for Qualification to WOC, see references. This document contains the quota for each member federation for each WOC competition. The document will be updated after European Championship in May 2018 with the extra allocations of the Long and Middle winners.

Version 1.0, published March 2018, by IOF Sports Administrator.

#### Relays

Relay: All member federations can have one team per gender

Sprint relay: All member federations can have one mixed team

#### Sprint, Middle and Long federation quota

See table. If your Federation is not present in the table below, please check the Quota for "A\_Non-ranked member federations".

#### References and Calculations:
