

Federation Team Quota

European Orienteering Championships Ticino- Switzerland 2018

About this document

The number of competitors per Federation is limited according to quotas based on IOF Foot Orienteering Rules, see references. This document contains the quota for each member federation for each EOC competition. Competitors representing member Federations of the IOF, defined by the International Olympic Committee as belonging to the European continent, can compete in EOC. Competitors representing other member Federations of the IOF can participate in EOC but will not be eligible for European titles, medals or diplomas.

Version 1.0, published March 2018, by IOF Sports Administrator.
