Foreword

Best orientation friends,

2018 is the year in which orienteering association Middle Netherlands Orientation (MINOR) organizes for the 4th time the 2 days of North West Veluwe.

On Saturday 27 October and Sunday October 28, you will be treated to two beautiful orientation contests in both wooded and open area. Technically challenging contests in beautiful and varied Dutch nature on the Veluwe. Nice to share with you during this two-days, above all of course with the foreign athletes. We call them warm welcome, just like all Dutch participants of course and all enthusiastic volunteers. The deployment of these volunteers is a condition for this event to make it possible.

We look forward to welcoming you during this 2 Day of North West Veluwe and wish you a pleasant stay and good individual sports performance, until then!

Birgitta Verbeek
President OLV MINOR
