

TWEEDAAGSE VAN NOORD-WEST VELUWE

27-28 OKTOBER 2018 | NUNSPEET - STROE

Dear orienteering friends!

Welcome to the Netherlands and especially to the Veluwe! On behalf of the organizing team it is a great pleasure to wish you a warm welcome to the 2 Days of North-West Veluwe 2018. Just before the end of the season we offer you some of the finest orienteering terrains in the middle of the Netherlands.

You can expect the ultimate mix of fast orienteering and challenging contour detailed terrain. The map "Stroese Zand", a military training area, gives us the opportunity to use moderately hilly terrain which consists of a sand dune area surrounded by deciduous forest with a developed network of paths and forest roads.

We offer you an attractive middle distance race in challenging typically North-West Veluwe terrain. We hope you will enjoy this event as a participant as much as we do by organizing it for you.
