## 9.2 TERRAIN

(Photos and maps will be published in bulletin2)

---

### **Group Race/Sprint-Yanzhou Island, Zhaoqing**

located here are ancient villages mainly with traditional architectural styles. The alleys are quite narrow and the terrain is plain. Local crops are bananas, fruits and vegetable. For banana forest it' s easy to do an one-way fast running but for farmland it' s difficult to go through. A stretch of grassland with puddles by the river is a special terrain found in this island.

### **Sprint (WRE)- Daqitou village, Foshan**

located here are ancient villages with both traditional and modern architectural styles. The alleys are narrow, made of bricks and cement. The terrain is plain, part of which is composed of ploughs, groves and fish ponds.

### **Sprint (WRE)- Sanjiang village, Foshan**

located here are ancient villages mainly with traditional architectural styles. The alleys are quite narrow but easy to cut across, made of bricks and cement. The terrain is a little rough.

### **Sprint (WRE)- Baishuizai Scenic Spots, Guangzhou**

It is mainly composed of villages, lychee forests and ploughs. The ground in villages are hardened. The terrain is divided into flatland and hillside with a drop about 40 meters. While the lychee forest can go through.

### **9.3 DRESSING SUGGESTION**

There are no requirements for dressing. Cross-country shoes and marathon shoes are highly recommended for sprint and group races. Spike shoes are not suggested.

### **9.4 ELECTRONIC PUNCHING & TIMING SYSTEM**

The SPORTident Electronic Punching and Timing system will be used in the competitions. Runners should fill in their SI-card number at the entry. Foreign runners can use their own SI-card or rent from the organizer with a deposit of RMB500 each which will be refunded upon returning back after the races.

### **9.5 CLIMATE**
