## 18. Other matters

- Competition entry and allocation should be made through Eventor.
- GPS watch should not be worn on the same arm as SIACs, it's a big risk of disturbance at punching and finish.
- Lunch at the arena can be pre-booked to get a package (faster handling), talk to the personell once at the arena.

**19. Presentation will be uploaded to IOF Eventor**

**20. Q&A**

- Y
- Z

**20. Thank you and good luck**
