Welcome to JWOC 2019

Dear guests,

It is a great pleasure for Aarhus to be able to bid you welcome to the Junior World Orienteering Championships this year 2019. In Aarhus, we love sport and the effect it has on the daily life of our citizens.

In that spirit, we have already hosted a considerable number of large and influential sporting events. In 2006, we welcomed the World Orienteering Championships to our city. Over the last decade Aarhus has staged the Youth Sailing World Championship, the UEFA under-21 European Championship, Men's and Women's European Handball Championships, and the SportAccord Convention – the largest sports convention in the world. Last year we were very proud to host the Hempel Sailing World Championships 2018, one of the largest sporting events ever to be held in Denmark.

So we consider ourselves experienced, capable and ready for the Junior World Orienteering Championships, and we cannot wait to welcome athletes, spectators and officials alike to our city. We have the skill and expertise it takes to host a major event like this, and we hope that every guest will enjoy their stay in our city.

We warmly recommend everyone to visit Aarhus during the Championships. Our status as the European Capital of Culture in 2017 has heightened the culture, cuisine, hospitality and touristic experiences available to visitors. With forests and the sea as neighbours and heathland just a bicycle ride away, Aarhus is an accommodating place for the sporting and/or outdoor person.

Aarhus is known as the city of smiles. In Denmark, we say that a smile is the shortest distance between two people. In fact, no part of Aarhus is far away. The many things to experience in the city can be reached in only a few minutes by the new light rail system or one of the many free city bikes.

I wish you all good luck, happy orienteering and a very warm welcome to our city.

Jacob Bundsgaard

Mayor of the City of Aarhus

Dear guest,

It's an honour for Silkeborg to be hosting the Junior World Orienteering Championships in 2019, and I'd like to thank the international Orienteering Federation for choosing us.

Silkeborg is also known as Denmark's Outdoor Capital. Our town is situated in the centre of the Danish Lake District and has the perfect landscape for these championships. Everywhere you go you find forests, lakes, rivers and hills: a perfect place for orienteering.

We expect that about 400 athletes from 40 countries will participate in the Junior World Orienteering Championships 2019 in Silkeborg and our beautiful surroundings. We expect more than 1,000 spectators, and we will be ready to assure them that the championships will run smoothly, and everybody will enjoy 6 fantastic days, both when it comes to competition and to relaxation. We expect too that they will take long-lasting memories back home.

Arranging an international championship of this size is a big responsibility. We believe we have the experience needed to host a professional, high class championship like this. Silkeborg often organises big sports events and is known to succeed, both when it comes to planning and running competitions, and when it comes to other activities. I know the organisers here have planned some interesting social and cultural experiences for the participants.

We expect to welcome more than 1,500 athletes and spectators during the championships. You can expect hospitality from all of us. So, go and explore our culture, enjoy our nature, take a stroll through our streets, go shopping and relax afterwards with some fresh local cuisine and perhaps an excellent beer, brewed right around the corner.

I look forward to seeing you in Silkeborg and to watching some excellent performances from talented runners from all over the world.

Steen Vindum

Mayor of Silkeborg Municipality

Welcome from Orienteering Club Pan and Silkeborg Orienteering Club

The two clubs wish you all welcome to JWOC 2019, and we hope that we can contribute to everyone enjoying unforgettable experiences during the event. Together the clubs have more than 750 members, among them many experienced organisers and national team runners.

With the aid of huge goodwill from the region's forestry authorities and private forest owners, we have the opportunity to show you some of the Danish Lake District's finest forest terrain.

We hope that you will enjoy the delightful forests you will be running in, and that you will get the opportunity to forge many new friendships.

Event Centre

The Event Centre will be at Silkeborg Technical College (College360).

Address: Kejlstrupvej 87, 8600 Silkeborg, Denmark.

GPS coordinates: 56.190587, 9.554599

Directions to the Event Centre

By car

From motorway 15 it is about 1.5 km to the Event Centre.

By train

There are trains to Silkeborg station from Herning and from Aarhus via Skanderborg.

From the station:

- Town bus 12 to Kejlstrupvej. One departure per hour - none at weekends. Journey time about 11 min.
- Town bus 8 to Kejlstrupvej. One or two departures per hour. Journey time about 20 min.

Price 22 kr, ca. 3 Euro (included in train ticket).

By air

From Billund airport it is about 70 km to the Event Centre. There is an airport bus from Billund airport to Skanderborg station about every hour. There are no direct services from Billund airport to Silkeborg.

From Tirstrup (Aarhus) airport it is about 85 km. Here the airport bus can be used to Aarhus station and the train from here to Silkeborg.

Vehicle rental is available at both airports from well-known car rental firms.

Accreditation

All registered participants must check in for accreditation at the JWOc Event Centre before 11.00 on Saturday 6 July. **Each registered team member and team leader must be present and show her/his personal passport before she/he can be accredited.**

A personal JWOC ID card with photo will be handed out at accreditation. All accredited persons must wear it at all relevant times, and present it for access to all means of transport and authorised zones. The online entry form asks that all persons to be accredited provide a personal portrait photo in Eventor for use on the ID card.

Anti-doping

Doping is strictly forbidden and the organisers of JWOC 2019 are dedicated to supporting the anti-doping authorities in their work. Doping tests are always carried out in accordance with the procedures described in the WADA International Standard for Testing. The IOF Anti-Doping Code and rules and the World Anti-Doping Code 2015 apply as of 1st January 2015.

Athletes who are selected for the doping tests must bring an official identification (with photo) to the doping test area - the JWOC ID card is acceptable.

The athlete should also bring along their Therapeutic Use Exemption (TUE) if applicable. In general, it is advisable that the athletes bring along their ID to all the competitions and events.

For more information, please consult: <https://orienteering.org/wp-content/uploads/2010/12/IOF-AD-Rules-2015.pdf>

Climate

Denmark has a temperate, Atlantic climate.

At the time of the event the weather is normally warm and pleasant, with temperatures around 16-20°C.

The highest temperature at this time of year is around 28°C and the lowest 6°C.

Rain and showers, some heavy, can occur at this time of the year.

Time-taking and punching system

The SPORTident AIR+ system will be used for both time-taking and race control. Every participant will be issued with a SPORTident Active Card (SIAC) at the first Team Officials Meeting. This must be kept throughout the event and returned after the Relay on the final day.

Terrain information

Middle, Long and Relay:

Terrain areas are located 40-120 m above sea level. Hilly terrain with a lot of contour detail.

The vegetation is mixed forest together with some open areas and areas with scattered trees. A few areas of closely-planted conifer.

Generally good runnability. Some forest areas have variable amounts of brashings and light undergrowth. There are a few small areas with bracken cover. Open areas are mainly covered in grass and heather. The forests are mainly dry underfoot, but there are some ditches, streams and marshy areas.

Developed network of paths and forest roads.

Sprint:

Terrain area is located 40-60 m above sea level.

Open grass areas with scattered vegetation, built-up areas, areas of open and more closely-planted deciduous forest.

Dry and mainly level underfoot, therefore good runnability.

The visibility is generally good.

Developed network of paths and roads in the whole area, including surfaced roads, gravel tracks and small paths.

Hazards:

Adders can be encountered, especially in open areas. Ticks are found extensively in Danish forests and athletes should check for ticks after every run in the forest.

Map scales and contour intervals

	Map	Scale	Contour Interval
Sprint	Lyseng	1:4,000	2.5 m
Long	Velling-Snabegaard	1:15,000	5 m
Middle Qualification	Gjern Bakker	1:10,000	5 m
Middle Final	Gjern Bakker	1:10,000	5 m
Relay	Thorsø Bakker	1:10,000	5 m

For the forest races, maps are drawn in line with the current version of the International Specification for Orienteering Maps (ISOM 2017, with the corrections approved November 2018).

For the sprint races, maps are drawn in line with the current version of the International Specification for Sprint Orienteering Maps (ISSOM 2007).

Embargoed areas and recent maps

A map overview and detailed maps of the areas can be found on the JWOC 2019 website, www.jwoc2019.dk, under JWOC -> Terrain.

Finish areas

The arenas are located at the following coordinates:

Sprint: N56° 06.443' E010° 11.877'

Long distance: N56° 02.280' E009° 30.838'

Middle distance: N56° 13.519' E009° 41.982'

Relay: N56° 06.807' E009° 31.660'

First Aid

First-aid services will be provided in the arenas.

At Teknisk Skole, the Event Office will help with contacting the appropriate service.

Each federation is responsible for its own insurance (see Rule 6.4).

Arena production

There will be TV coverage which will be shown on a big screen in the arenas. This means that there will be cameras in the terrain, and many athletes will run with GPS.

Competition clothing

There are no special regulations applying to athletes concerning the type of clothing they choose to wear.

It is forbidden to use shoes with spikes in the Sprint competition and in Sprint training areas

Team Officials Meetings

For each competition, a Team Officials Meeting will be held before the competition day, providing all important information about the competitions. There will be just one meeting for Middle distance, covering both qualification and the final.

All Team Officials Meetings will be held in the Event Centre in the Teknisk Skole. If you have questions for the meetings, please send them to info@jwoc2019.dk before 16:00 on the respective day, and we will answer them during the meeting.

Rest Day activities

In connection with the Rest Day - Tuesday 9 July - social activities in the form of games, sport and challenges will be arranged at the Event Centre at the Teknisk Skole.

Code of Ethics

'Team presentation' and 'Top 10 list' policy

Both in social media and in displays in accommodation sites there has, over time, developed a tradition to create so called 'top-10 lists'. Here, athletes from different teams appear to have been ranked according to physical appearance. In the same media, 'team presentation' pictures and videos that may appear to be sexually expressive have been published.

Such activity is incompatible with the IOF Code of Ethics and the IOF Policy on Preventing Sexual Harassment and Abuse, and any such activities may lead to sanctions towards individuals or the federations they represent, should these individuals be found responsible for the activities.

The acceptable level as to when a picture or a video may be seen as sexually expressive is unlikely to be the same for different individuals. A guiding principle will be to look at what clothing the athletes would use in e.g. a sprint competition. Any less clothing than this should not be expected to be

considered acceptable. This both relates to posts in a JWOC-related social media or web page and in physical prints in the JWOC accommodation sites.

Team officials of all teams entered for JWOC 2019 are requested to discuss these principles with all athletes that will be entered for the JWOC 2019 competitions. This issue will also be addressed as an item on the agenda of the first Team Officials Meeting in connection with JWOC. Any questions or comments regarding this topic can be put to the JWOC 2019 Social Officer: Vibeke Vogelius, +45 24255506, info@jwoc2019.dk or Steering Group member Morten Pedersen, +45 29208944, info@jwoc2019.dk

For reference, the IOF Code of Ethics and Policy on Preventing Sexual Harassment and Abuse can be found on the IOF website.

Training opportunities

From 13th to 17th April there will be course suggestions coupled with kites or tapes set out in forest and sprint terrain. See the JWOC website for additional information.

The official pre-JWOC training camp will be organised from Wednesday 3rd July 2019.

For this it will be possible to stay at the Technical College in the booked accommodation. There will be separate charges for accommodation and food.

Provisional programme:

Wednesday 3 July	Silkeborg Sønderskov, forest distance
Thursday 4 July	Aarhus, sprint
	Silkeborg Vesterskov, forest distance
Friday 5 July	Silkeborg Nordskov, forest distance

It will also be possible to train on a new map, Kejlstrup, direct from the Technical College. No courses will be set out, but the permanent course in the Gødvad area east of Kejlstrup can be used.

Fees

6 EUR / person / training session.

Prices include:

Map with courses, printed on tear-resistant and waterproof paper

Control points marked with flags (no Sport Ident or timing)

Transport during pre-JWOC Training Camp 3/7-5/7:

Teams can use own transport during the Training Camp.

On Thursday 4 July teams can join the official JWOC transport to the training areas. Transport on Thursday 4 July in connection with the JWOC Training Camp costs 15 Euro.

Transport to training areas on Wednesday 3/7 and Friday 5/7 is possible using public transport and costs 22 Dkr. (ca. 3 EUR) each way.

The invitation and detailed information will be published on the JWOC 2019 website,

<https://www.jwoc2019.dk>, under JWOC -> Training Possibilities.

Additional training:

Nations wanting to organise additional training in the area should contact the event organisation.

Please see contact information on the JWOC 2019 website, www.jwoc2019.dk, under JWOC -> Training Possibilities.

Selected races are shown in the table below. More information can be found on the website for the Danish Orienteering Federation, <https://do-f.dk/dansk-orienterings-forbund/staevnekalender>
