Additional info:

Riding off track is not allowed!

You are allowed to pass only those open land areas which are marked with orange colour on the map. Those passages are not marked on terrain.

It's also forbidden to drive over olive green areas, except if roads or paths are mapped over those areas.

Some parts of narrow paths which are hardly visible are marked in the forest with red/white ribbons. You can ride along those (otherwise mapped) paths.

New Highway is planned in small part of middle distance area. A lot of red and yellow field survey markings can be found in a forest. They are not mapped, watch out during biking.

Attention:

- Event will take place in any weather conditions.
- Competitors are responsible for their own safety. Everybody starts at his/her own risk and responsibility and is accountable for his/her own actions during and after the race.
- The organiser takes no responsibility for any personal injuries, damaged, missing or stolen goods.
- Use of cycling helmets is compulsory.
- It is forbidden to leave the tracks, except where explicitly allowed in the additional info above. Any violation will be punished with disqualification by controllers.
- It is forbidden to use the main roads, which are marked with red crosses on maps.
- Competitors must obey traffic rules. The right-hand traffic rules apply (drive on the right-hand side in bidirectional traffic, overtake on the left hand side).
- By taking part in this competition, participants agree that results (including names) and photos taken on the event can be published, including via the internet.
