Payment Swedish club get invoice, foreign clubs pay in cash in Swedish currency at the arena before competition.

First start At 11.00. Apx 600 meters to start.

Courses/Maxtime All courses are 690 meters. Time on the course is measured with SportIdent, don't forget to empty and check the stick before start. Hired sticks is fetched and left back at the arena. Elit has 23 controls maxtime 90 minutes. A 19/97, B13/69. Wheelchair users has 15 min extra. At the end of the course, it is allowed to walk outside the path, red marking on the map shows where. Close to a windmill, the compass can be unreliable. There will be no quarantine, we trust the competitors sense of fair play. The open courses can be bought between 10,00 and 11,00. Start between 11,00 and 11,30. Open courses has no timecontrol and goes directly to start. Cost 100 SEK.

Time controls Elit class has time controls after the course. A and B has time controls before start. All classes have six flags, Elit has three tasks. A have two and B have one. Tempo method is used. Maxtime and penalty per control, Elit class 30-60, A 45-90, B 60-120.

Map/terrain Map is in scale 1:4000, equ 5m. Maped 2012 by Maths Carlsson Tolered. Some revision 2015 och 2019 of curvline. Mostly open rockterrain, easily accessible dirtpath. Due to dry weather, water can be much smaller than described.

Zero controles Only in Elit and A. If the flag is on the wrong position on the correct object the distance is significant, if the flag is on another object, the distance can be considerably smaller. The map is good, but there might

be some lines that are not 100 % correct. Use mapreading for confirmation.
