WORLD CUP

Helsinki Orienteering Gan Vihti-Helsinki 8.–11.6.

HELSINKI 2019

Orienteering

WORLD CUP

From Kisakallio event center to Tervalampi about 30 min.

(ca 30 km)

- guidance from Tervalammentie (1215) to quarantine parking
- All athletes go straight to quarantine, where there is a warm up area, indoor shelter, toilets and drinking water available
- Coffee, tee, sandwiches and snacks can be bought by cash at the quarantine
- coaches are allowed to stay at quarantine but they cannot return once left the quarantine
- Coaches are allowed to go to prestart. If they leave the prestart, they must go straight to the competition center and not return to quarantine or prestart
- Remember to take emiTags to quarantine,
- Safety pins are provided by the organiser

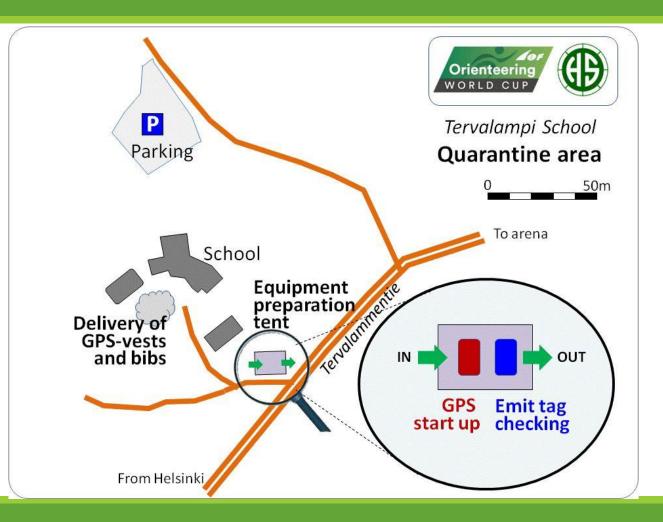

Middle distance Saturday June 8th

- Quarantine opens at 8.30 and closes 9.20
- Bibs and gps vests (if needed) are given in the quarantine. **Competitors are** called into the equipment preparation shelter about 27 minutes before their allocated starting time
- Athletes are allowed to leave the quarantine 25 min before the start. Just before leaving the quarantine emiTags are checked and GPS-tracker added.
- Distance to prestart 1,5 km by marked route, mainly forest. Follow the route!
- Coaches are not allowed to return to the quarantine by marked route. Instead they use the gravel road going straight to the competition center
- Bags from the quarantine and jackets from the start will be transported to the team area located at the competition center

Quarantine Middle Tervalampi 8.6.2019

Middle distance Saturday June 8th

Correction

The control descriptions in the map have a mistake:

Control code 107, control description small hill should be knoll

Separate control descriptions have the correct symbol

Long, chase start Sunday June 9th

- Quarantine opens at 8.45 and closes 9.30. Same place as in middle distance
- Bibs and gps vests (if needed) are given in the quarantine.
- Competitors are escorted out of the quarantine in three groups. 1: 0-10 min behind the lead, 2: 10-20 min behind the lead, 3: all remaining. W 9.45-9.55-10.05/M 11.00-11.10-11.20
- Distance to prestart at the event centre 1,5 km along the road.
- Bags from the quarantine will be transported to the team area located at the competition center

Questions

General questions

- Are there toilets at the pre start? -Yes
- Which is the distance to the startpoint? -You'll see
- Are we allowed to bring the Model map to the Quarantine? -OK
