EVENT CENTER

The city of Jeseník

Dear supporters of the Mountain Bike Orienteering, the Czech Orienteering Federation is pleased to welcome you in the scenic surroundings of the spa town Jeseník, enclosed by the mountains, in the heart of the range Hrubý Jeseník, in the countryside full of astonishing nature, beautiful greenery and silence, in the area of healing springs and clean air.

The city of Jeseník, 250 km distant from the capital of the Czech Republic – Prague, is with 12 500 inhabitants the administrative and cultural center of the region.

During the WMTBOC the city will also become the administrative and organizational center of the competitions, the place of the ceremonies and the place of competitors accommodation.

We are delighted to introduce you to the new, attractive, beautiful and demanding terrains of the Jeseníky and the Žulovská Pahorkatina that have never been used for a top-level MTBO event.

We are awaiting You in the Czech Republic at the WMTBOC 2020.
