

Invitation

TRAINING CAMP 2

The second official WOC2020 training camp will take place in the period 10-15 October 2019. The training camp will include two training competitions and number of high-quality trainings. The first training session will be offered on October 10th and the last session on October 15th.

One new map (the central part of Vejen) will be released, and on this map, we will organise a Knock-Out Sprint training competition. Our preliminary plan is to offer organised trainings also in Odense, Middelfart, Grindsted, Horsens and Haderslev. All those areas facilitate technical sprint orienteering and they represent what the athletes will meet at WOC2020. The maps are drawn for WOC2020 by our WOC mapper.

For the trainings and training competitions, we have arranged access permission to private backyards and other interesting orienteering areas. Note that it will not be allowed to train on the maps outside the arranged training hours.
