Federal Technical Regulations (excerpt)

3.2 - Interdiction of the competition area

- Except upon specific concession from the National Technical Commission, the area where the competition will be held for the 3rd and 4th level competitions is off limits for all members from the moment the calendar is published; for the 2nd-level competitions, with the exception of those taking place on the new set-up, the ban is reduced to two months prior to the race. The Organizer shall monitor compliance with this rule and report any infractions to the appointed Competition Judge.
- The interdiction does not apply for competitions in urban areas, however it shall be forbidden to use local maps for such areas within the times indicated above.

Punching system

Sportident system will be used in all two competitions

RACE REGISTRATION AND DUES

Registered FISO athletes: Through their own association via the FISO website, until 11:59 pm on **21st October 2019**. At the competition site, you can only register for the non-competitive categories until all available places are filled and, in any case, at the discretion of the competition officials.

Athletes registered with foreign federations: Via [orienteering online](#), with the same deadline as the FISO members (**21st October 2019**). Those hailing from a country that is not part of the Schengen Area must check if a visa is needed to visit Italy from their home Country.

Athletes not affiliated with sports clubs: If you want to be part of orientation, you can register directly on the day of the race; at such time, you have to complete registration for the race and the non-competition membership (mandatory for insurance reasons). It is advisable to turn up with the registration form already completed you can download a copy here N/A. It is also mandatory to have with you a copy of the sports certificate for non-competitive activity.

Saturday Race (only for Elite categories): Via <https://eventor.orienteering.org/Events/Show/6221>
