Remarks to Bulletin 4: Emergency Numbers (9.4)

The phone numbers for emergency calls in Norway are: Medical: 113 Police: 112 Fire: 110 Emergency services general practitioner: + 47 116117

woc 2019 Remarks to Bulletin 4

- 3.3/7 Road 115 and Lunderveien are open! Embargoed terrain: see doc with link in Eventor https://www.google.com/maps/d/viewer?mid=14n3Qcf0kioa5mV3QB8 kcvzrehhQ&II=59.51822852142996%2C11.040230000976635&z=12
- All registered participants must personally check in for accreditation 5.5 at the WOC Event Office (see section 4.1 «Event office opening hours») not later than the respective deadline for his/her first competition
- 11.1 The punching is performed by holding the emiTag 0 - 50 cm above the Emit control unit for a short moment
- Friday, show and concert: 19:30 20:30 11.17
- Long distance 12.5

Q: How long are the terrains embargoed?

- The areas are embargoed for runners and team officials until all A: competitions in the respective area are finished. (Bulletin 4, section 7.) This means that map Knatterudfjellet is released after middle distance qualification.
- But: WOC athletes not competing in the WOC competition are allowed to visit the WOC arena as a spectator during the competition. Furthermore, they are allowed to compete in the WOC spectator race. (Bulletin 4, section 13.2)

Q: In the bulletin you explain about the river, which can be crossed in different areas. Does this mean, that the river is marked with black borders, where it is not possible to cross? Or is it marked as uncrossable all over and you are still allowed to cross where you deem it to be safe? Or are there no black borders at all?

A: It is allowed to cross it everywhere. The river is mapped with black borders where it is more difficult to cross.

Q: How many free start numbers are there in the spectator races H21E / D21E?

Tuesday and Wednesday: 20+20 A: Thursday: 30+30 Friday and Saturday: 20+20

Q: When can we enter for the spectator races?

First come principle in the Spectator Race Office at the arenas A: See English PM Spectator Races: https://woc2019.no/en/pm-en

Løp 6 Info 10:30 - 16:30 Direktepåmelding 10:30 - 14:00

Kontakt utenom åpningstider til <u>spectatorrace@woc2019.no</u>

Q: What is your back-up system if Emit fails (both units)

- A: The punching system is described in section 11.1 The Emit Touch-Free punching and timing system is approved by IOF.
 - -> 2 hours before the race all punching units are tested.
 - -> EmiTags are tested at the pre start.

-> during the race: "The LED light in the emiTag will start flashing after a successful punch and will keep flashing for 5 seconds. In case of any Emit-unit failure (no feedback signal) athletes must punch using the second Emit unit as a backup"

Q: Are there specific ways for athletes to wear EMIT tags?

A: Both on the same arm in this order:

Q: From where is the race distance measured? From the start point or from the time start? A: From the time start where the map is handed out

- **Q:** How is the time measured?
- A: See Bulletin 11.1 "when the athlete's chest crosses the finish line"

Meeting for Teams Media/press contacts

When: Wednesday 14 August, 11:00 Where: Media-tent, Arena Mørk Who: All teams press/media contact Please inform your contact – obligatory for all teams!

ne in their qualification race."

Q: How do we find the Live Results & GPS – do we need any login?

A: Yes – via the IOF Live Services

https://orienteering.sport/event/world-orienteeringchampionships/middle-qualifications/#current

INTERNATIONAL ORIENTEERING FEDERATION

Q: Is ISOM 2017/2 alternative symbol for vegetation boundary used

A: No.

Q: Is bare rock mapped using the grey symbol as used on the test race maps or is it all mapped as in the model map.

A: As in the model map

Q: In section 11.4 clothing it says full body coverage is required but vests are allowed. Is it allowed to use cut off trousers (above the knee) or shorts where there is a gap to the socks?

A: Full coverage of the legs.

Q: Is the contour interval on the autogenerated map 5 meter, as written on the map?

A: No, it is 1 meter.

Q:What does a runner need to do in the very improbable case, that the Emit system is not working in the forest?

A: The runner continues the race.

Q: Where is the location of the coaching zone?

A: West of the in-run, about 80 meters before the finish

Opening ceremony at 19:15

- Flags of all countries will be brought in the Arena by one athlete of the federation which will be will be announced during the opening ceremony
- Please be at the Arena no later than **18:40** for viewing opening ceremony.
- WOC2019 encourage all nations to participate with a full team as we expect many spectators.
- Athletes **shall** wear their team uniform.

Gentle reminder with respect to training & control markings

Because of feedback from clubs/landowners, we would like to give a general reminder about conditions stated in the rental agreements for OCAD-files.

- It is also during WOC2019 important that you inform the club/WOC2019 about date and time for training, in addition to the approximate number of runners that will attend.
- Respect any advice/guidelines given by the club/WOC2019 regarding parking opportunities.
- Remember to collect all control markings in the forest. There is still plastic and other markings in the forest after trainings organized by the national teams (Check your Doma/Livelox). ALL markings, including biodegradable, must be collected.

Q: Are the info about out of bound areas and bridges relevant for Middle Q? A: No

Q: When goes the last bus from the arena to the quarantine?

A: It is transport by car and the last departure 9:10 from the team parking. OBS! It is not allowed to visit the arena!

Q: Is it a transport from the arena to the quarantine to pick up the car after the competition?

A: Yes

Q: Is it possible for WOC runners to start at the spectator race from 11 AM?

A: First ordinary start in the spectator race is 13:30. Entry opens at 11:00.

Q: Will it be Emit cards to hire for the WOC runners?

A: Yes, in the spectator race office

C

Q: Can runners wear GPS watches without map display?

A: According rule 21.4 it can.
