7. Maps and Terrain Description

- Sprint Course – it is outskirts of Ponta Grossa. The place is a camping club named Princesa dos Campos (also known as Verde). It offers favourable characteristics for fast runners through the local roads, paving, grassy areas, a lot of gates and moderated gaps.

- Model Event, Long Distance Course – It is 20km away from Ponta Grossa downtown. It is a forest of eucalyptus of varied sizes, surrounded by open areas, canyons, depressions and some formations of native forest. It has a small number of paths and some fences.

- Middle Distance Course – It is 23km away from Ponta Grossa. It is a mixed forest of eucalyptus, pines and native forest, surrounded by open areas, canyons and depressions.

- All maps made according to the ISOM and ISPROM.

8. Distances and Transport

Ponta Grossa City is 115km away from Curitiba, the state capital, with easy access through BR 376, in a tolled highway.

A car trip between *Aeroporto Afonso Pena* in Curitiba/São José dos Pinhais and Ponta Grossa is about two hours.

Ponta Grossa Airport receives flights of Azul Air Company.

The organization will not offer transportation to/from the competition places.

11. History and Tourism

The sesquicentennial Ponta Grossa city had its origins as a resting place of “*tropeiros*”, its lands were occupied by farmers from São Paulo and immigrants from Ukraine, Germany, Poland, Italy, Russia, Syria and Lebanon.

Nowadays Ponta Grossa is one of the biggest cities of Paraná, and it is known by its Industrial Pole, farms, commerce and its great touristic potential.

Ponta Grossa has about 350,000 inhabitants.

There are countless options of tours, and in some cases some whims of Nature that only happen here, in the Princess of Fields.

VILA VELHA STATE PARK

Its one of the most famous geological formations of Brazil.

The sandstones are enormous rocky formation carved by the action of time for thousands of years.

Visits From 08:30 am to 3:30 pm

FURNAS

Close to the Sandstones are located three great vertical craters, one of them with 52 meters downhill to the water.

This location is unique as it sharpens visitor minds about its origin.

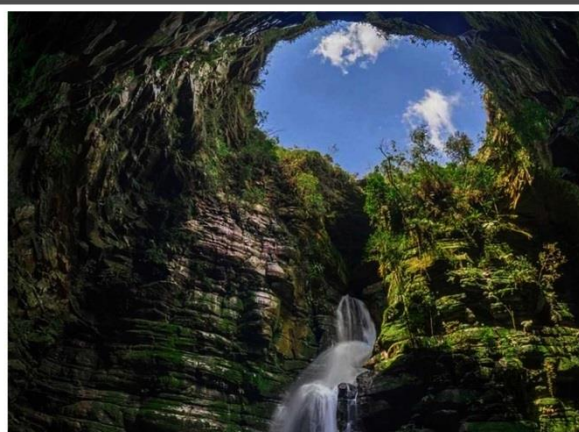

BURACO DO PADRE - Priest's Hole

It is a pit with a 30m cascade in its interior.

It is located close to the competition places.

Visits from 9:00 am to 5:00 pm

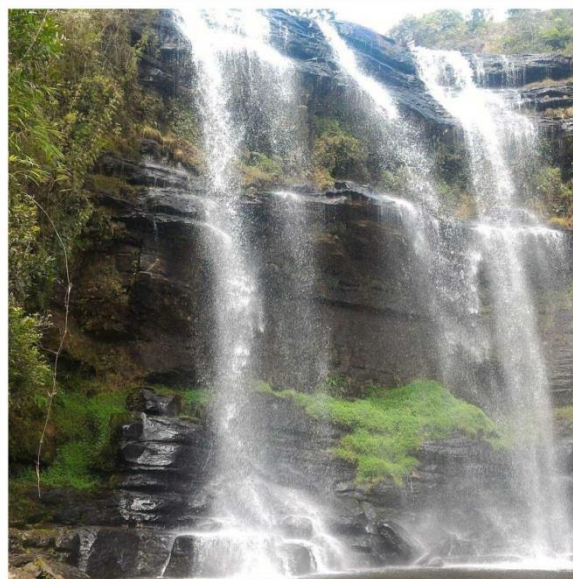

CACHOEIRA DA MARIQUINHA

Mariquinha Waterfall

A 30m high waterfall.

A great place to visit.

It has a balneary and some pedestrian paths.

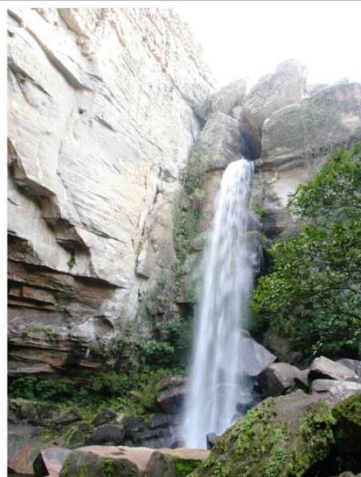

CANNYON E CACHOEIRA SÃO JORGE

São Jorge Waterfall

A Canyon with many waterfalls being one of them the São Jorge, that is a 30m high waterfall.

It disposes some snack bar and programmed tours.

Visits from 9:00am to 9:00pm
