**Experience the best of what South-Estonia has to offer**

Only 10km from Kääriku, there is Otepää - the winter capital of Estonia since 1996. The sports town Otepää and its surroundings offer a variety of outdoor activities. During winter it's possible to do cross-country skiing, downhill skiing and snowboarding, ice-skating or have a kick sledge hike on the ice or on sport tracks.

A warm welcome to the winter wonderland in South-Estonia.
