Tracks and courses

WORLD
SKI ORIENTEERING
CHAMPIONSHIP
ESTONIA 2021 KÄÄRIKU 22-28

- Tracks have been prepared with snowmobiles from January 2020 and surface of the tracks was hard until the warm weather came in last 2 days. All tracks were groomed once more yesterday.
- Some snowmobile tracks not made by the organisers occur:
 - Old tracks, covered with snow – not mapped
 - New tracks, not groomed by organisers – marked with dotted line
- In case of snowfall before sprint organizers will groom all tracks in the morning before the race
- Dangerous steep descents are marked with exclamation marks in the terrain. Take these warnings seriously!
- Cool down allowed on the track in north-eastern direction parallel to Otepää road (shown on the Kääriku Sports Centre scheme in the Bulletin)

Covid-19, Anti-Doping etc.

WORLD
SKI ORIENTEERING

A photograph of a winter scene. In the foreground, a snow-covered path leads towards a small stream. The path has tracks from a vehicle or sled. To the left of the path is a large tree trunk. The stream flows through the scene, with some ice and snow in it. The background is filled with more trees and snow. The text "Good luck!" is written in red in the upper right area of the image.

Good luck!
