Tracks

CHAMPIONSHIP
ESTONIA 2021 KÄÄRIKU 22-28

- Warm weather has caused lot of damage to ski tracks. Organizers were forced to exclude some parts of the terrain from use for middle distance. Snow conditions are significantly worse than during the pursuit/long distance race.
- Snow-free spots on tracks occure
- Marked route from quarantine area to the start of youth and juniors has poorer snow conditions than the average on courses. Organizers try to fix satisfactory conditions on that track segment.
- Tracks will be groomed during the night and morning
- Dotted tracks include snow-free spots, guaranteed!
