# WELCOME TO JWOC 2021

The Turkish Orienteering Federation and the Metropolitan Municipality of Kocaeli would like to welcome everyone to the Junior World Orienteering Championships 2021.

I would like to state, how much we'll enjoy by showing you Turkish hospitality. We are taking the pride of organising the championship in unique forests in Gebze, Kocaeli which is 49 kilometres from İstanbul and has a history dating back to the 7th century BC. Gebze's industry is one of the strongest centres in Turkey. I believe that Gebze Technical University (GTU), one of the very qualified, prestigious university worldwide, is going to be a perfect event center.

In Turkey orienteering has been carried out as a sport under the control of the armed forces since the 1970's. In between 2002 and 2004 Orienteering Vice Presidency was within Mountaineering Federation following Scouting Federation. Since 2006, Turkey Orienteering Federation has been in progress independently. Meanwhile, we are taking part in organising many national and international events, in addition to major IOF events such as SEEOC, ESOC, MCO and WCup events. Turkey is a record holder of making the most participation to WOD.

For the very first JWOC in Turkey; we, with Kocaeli governorship, mayorship and GTU's precious support, are very honoured to welcome world's best orienteers and their families in Gebze, Kocaeli with its history, nature, hand – woven silk carpets and Turkish cotton candy. Have fun!

## CODE OF ETHICS

Activities incompatible with the IOF Code of Ethics and the IOF Policy on Preventing Sexual Harassment may lead to sanctions towards individuals or the federations they represent, should these individuals be found responsible for the activities.

The acceptable level as to when a picture or a video may be seen as sexually expressive is unlikely to be the same for different individuals. A guiding principle will be to look at what clothing the athletes would use in e.g. a sprint competition. Any less clothing than this should not be expected to be considered acceptable. This both relates to posts in a JWOC-related social media or web page and in physical prints in the JWOC accommodation sites.

Team officials of all teams entered for JWOC 2021 are requested to discuss these principles with all athletes that will be entered for the JWOC 2021 competitions. This issue will also be addressed as an item on the agenda of the first Team Officials Meeting in connection with JWOC. Any questions or comments regarding this topic can be put to the [info@jwoc2020.org](mailto:info@jwoc2020.org).

For reference, the IOF Code of Ethics and Policy on Preventing Sexual Harassment and Abuse can be found on the IOF, <https://onedrive.live.com/?authkey=%21ACUE%2DfsVXXLTHJE&cid=663580750D0C0BCE&id=663580750D0C0BCE%2117402&parId=663580750D0C0BCE%2116890&o=OneUp> website.

## COVID 19 INFO

OC takes COVID-19 very seriously and therefore we are working closely with IOF and the Turkish Health Board to ensure that all competitors, organizers and spectators remain healthy.

OC has prepared a Covid 19 Bulletin considering IOF and Turkish Health Board regulations. These regulations are valid as of Aug 3rd, 2021. If IOF and the Turkish Health Board make changes to the COVID-19 related rules including traveling, the organizer will make changes to the Covid protocol and inform competitors separately.

The main aim of the bulletin is to minimize the risks of a Covid19 infections and offer a safe event for both the participants and the organizers. All the published information is valid at the time of publishing. Any changes and updates to COVID19 recommendations and instructions will be shared when there will be new information available. The Covid19 Bulletin is considered additional regulations as per IOF Competition Rules. This bulletin and the Covid-19 bulletin together give full information about the event. In case of conflicts between the two bulletins, the Covid-19 bulletin takes precedence overall.

All participants will be required in advance of the event to confirm that they have read, understood and will abide by the provisions in the Bulletin.

OC ask to consider the following important points.

- *The form reachable at <https://register.health.gov.tr/#> must be filled in within the last 72 hours before travel by All competitors and support staff.*

Furthermore, you might not be allowed to enter Turkey. (if you are not a Turkish Citizen or you do not have a residence permit).*
- *Upon arrival in Turkey, all competitors and support staff must perform a COVID-19 test using the PCR method within 24 hours and meet the requirements for self-isolation until the test result arrives);*
- *All competitors and other team members must take required COVID-19 tests at predetermined places of which the organisers will provide.*
- *The payment of the COVID-19 tests will be made either bank account transfer or in the Event office centre.*
- *Upon receipt of a negative test result, competition accreditation will be granted and persons may commence sports-related activities.*
- *The price of the COVID-19 test is currently approximately 55 euros, the cost of the test(s) shall be paid by the competitors themselves.*
