Quarantine, pre-start & start

Quarantine: No Quarantine for relay competition.

Pre-start: on the Arena. All competitors are strongly advised to perform the SIAC battery test at the entrance to the Pre-start zone and in case of low battery indication request a SIAC replacement. There will be start lists and a clock showing the official competition time.

GPS units: GPS units will be handed out at the entrance to the Pre-start zone. These units should be returned immediately after the competition. **15 teams in each class will get GPS units; the list will be published on website, IOF eventor & in event center.**

1st leg start: 10 minutes before start athletes are called to perform SIAC clear and check. 5 minutes before the start, the athletes will be called up to the start area. The participants will start receiving their maps 3 minutes before the start but will not be allowed to take them before the start signal. A mass start for 2nd and 3rd leg runners of slower teams may take place if needed. The exact time will be announced well in advance by the arena speaker. Start will be given by speaker.

Start times: 10:00 – W16. 10:05 – M16. 10:10 – W18. 10:15 – M18. 10:20 – MIX
