IT has assigned for tomorrow the same SI-cards used during the long race – they are published on the start list

Please check that the correct number is assigned and report any changes ASAP (Event office, info@wcup.it) – it is crucial for the online info and TV-graphics

MIDDLE DISTANCE

02nd October 2021

Quarantine closing time is at **10:50**

First start, MEN	10:53
First start, WOMEN	12:18
Last start, MEN	14:39
Last start, WOMEN	15:36

Specific information

Both kinds of stands are used for Middle race

Competition and warm-map
maps are Offset printed while
Model event maps were Digital
printed

Bags must be left at the drop-off at the bus stop

In case athletes will leave a jacket at the prestart, it won't be at the finish before 16:00

SPRINT RELAY

03rd October 2021

New entry deadline for Sprint Relay in Eventor is **20:00**
02nd October 2021

In case some runners need a place in a mixed team they
have to report it to the Event office on the Middle race
arena **before 16:00**

Organisers recommend to create own mixed teams

Specific information

All the controls are as shown here

Special Features

Videos:

https://youtu.be/6VuVXaKr_jE

<https://youtu.be/uO7OEDC4Pek>

On Sunday there will be Prosecco Cycling race with thousands of participants, and some of the roads in the area of Vittorio Veneto and Tarzo will be closed in certain times, which are shown on the road signs

The exact route could be found on https://www.proseccocycling.it/percorso/altimetria_a.pdf

SI-cards CLEAR and CHECK are
inside the change-over area,
after the map distribution point

Questions and Answers
