

24th Iberian Men's Championship 1st race of the Spanish and Portuguese national leagues January 23rd and 24th, 2016 World Ranking Event (Jan. 23rd Long Distance)

Diputación de Salamanca

Ayuntamiento de Ciudad Rodrigo

# Child care:

The child care services will be available during the competitions (Long, Sprint, and Middle) from when the first runners start until the finish for each race.

### **Model event:**

There are Model Event maps in 1:10,000 and 1:15,000 (DIN A5)

You can download them at:

- Model Event 1:10,000
- Model Event 1:15,000

There will be free example maps at the Event Centre in Ciudad Rodrigo starting at 4 p.m. on Friday the 22nd.

#### **Technical information:**

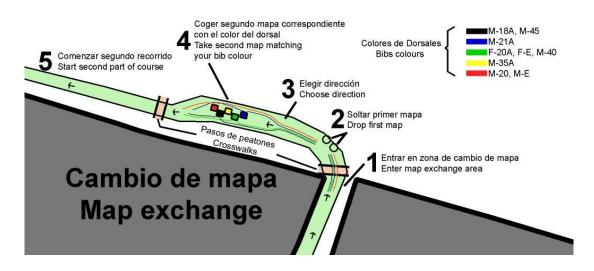

- Long Distance
  - o First start: 9:30 a.m. Finish closing time: 2:15 p.m. Time limit for races: 150 minutes
  - o There will be 3 refreshment controls for M-E and F-E
  - o The dimensions of the control descriptions are: M-E 16,8 x 5 cm. F-E 12,5 x 5 cm.
  - o It is possible there will be cows in the race area. They are not dangerous at all and are quite docile.

#### - Sprint Distance

o First start: 3:30 p.m. Finish closing time: 6:30 p.m. Time limit for races: 40 minutes.

#### - Middle Distance

- o First start time: 10 a.m. Finish closing time: 1:30 p.m. Time limit for races: 90 minutes.
- Image of map exchange procedure for the following classes: F-20A, F-E, M-18A, M-20A, M-21A, M-35A, M-40, M-45 and M-E.

• In the middle distance race area there will be a bridge and several temporary fences set up for an event following the race. They are on the map, however the bridge will be closed.

## Jury members:

The jury members will be declared at the event centre after meeting with the members of the other participating federations.

# **Complaints:**

- The time limits for complaints is 15 minutes after finish closes.
- The complaints are presented in the event centre.
