Vertical contour intervals: 5 m

Terrain type: hilly, various kinds of roads.

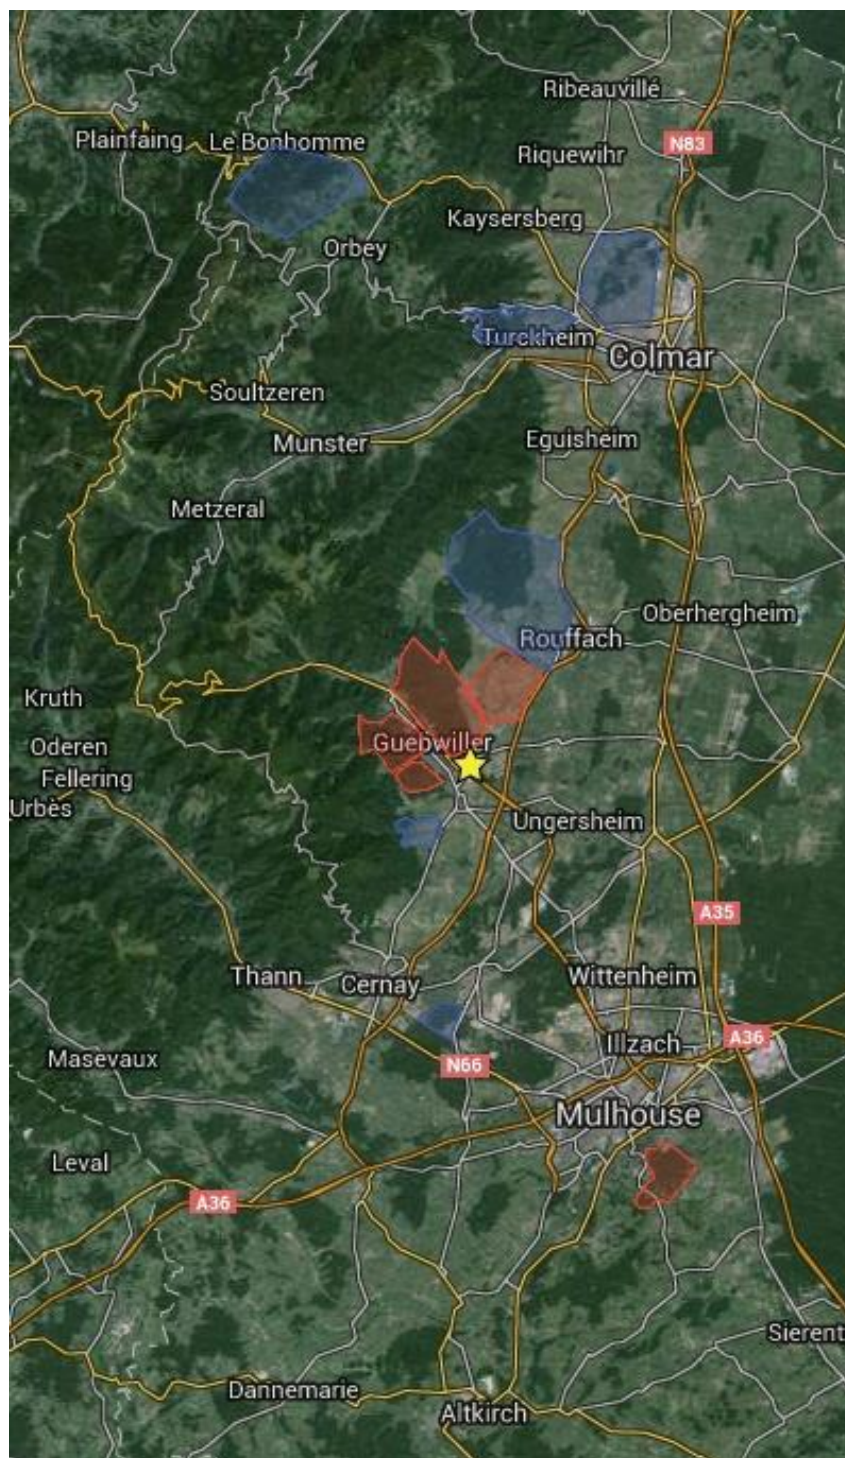

All events will be organized in accordance with the IOF International Specification for MTB Orienteering Maps (2010).

MAP DETAILS

Long distance	1/15 000° - Eq. 5 m
Middle distance	1/10 000° - Eq. 5 m
Mix relay	1/10 000° - Eq. 5 m

→ 15. EMBARGOED AREAS

- ★ Event center
- ▭ Embargoed areas
- ▭ Training map

Old maps in these areas:

- Les carrières du Schimberg COVTT (2014)
- Heidelberg MTBO 1:10000 /5m
- Tannenwald - Mulhouse (2011)

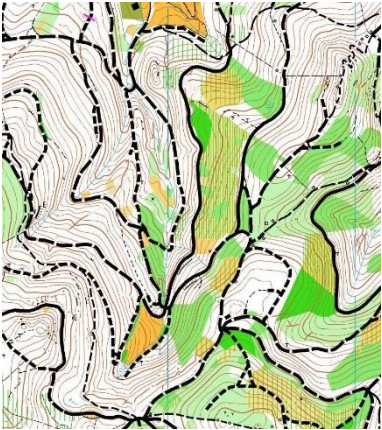

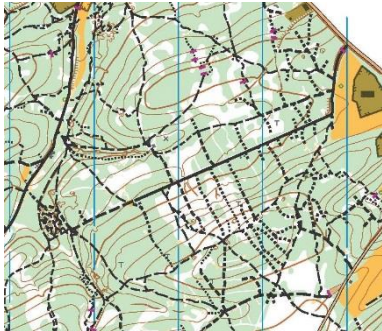

These old maps are published on the event website.

The areas are out of bounds for all potential participants and team members, including competitors, team leaders, coaches, doctors, escorts, and any other person who through their knowledge of the terrain may influence the result of the competitions.
For all other terrains the access is forbidden.

→ 16. TERRAIN DESCRIPTION

Alternately forest and vineyards, dense tracks network, mostly good ridability. Some tricky steep sections may challenge riders.

		
Long	Middle	Mixed relay

All the competitions area is open to public traffic. The courses cross several public roads. There will be marshal's at the most critical places to help safe crossing and minimize disruption. Riders should follow the instruction of marshals. Still, it is the riders' responsibility to observe traffic rules and avoid unsafe practices.

→ 17. RULES

All events will be organized in accordance with the Competition Rules for IOF MTB Orienteering Events, valid from 1 January 2015, and Special Rules for MTB Orienteering World Cup 2015. Please consult: <http://orienteering.org/mtb-orienteering/rules/>

In this specific event:

- Riding off the track, trail or path is forbidden.
- In France one drives on the RIGHT side of road.

Therefore riders must ride on the RIGHT side on all roads and tracks.

Overtaking slower riders should be done by the LEFT.

→ 18. ANTI-DOPING

Doping is strictly forbidden, and the organizers of World Cup MTBO are dedicated to supporting the anti-doping authorities in their work.

Doping controls may be carried out any time during the competition period. As some sites for the doping controls may be a few minutes' drive away, we suggest that athletes are prepared at all events to take along some dry clothes to change into after their race.

Doping tests are always carried out in accordance with the procedures described in the WADA International Standard of testing. The IOF Anti-Doping Code and rules apply as of 1st February 2010.

Athletes who are selected for the doping tests must bring an official identification (with photo) to the doping test area. Accreditation cards with photo can also be used for this purpose. The athlete should also bring along their therapeutic use exemption (TUE) if applicable. In general, it is advisable that the athletes bring along their ID to all the competitions and events."

Please consult: <http://orienteering.org/anti-doping/>

→ 19. WEATHER

Early May in Alsace is characterized by mild sunny weather: about 12/18° C in the daytime, in the night about 8°C. Rain is possible.

→ 20. HEALTH CARE

The Organizer will provide first aid at the competition centre and at the arenas of each event.

The Organizer will not bear costs connected to health insurance of participants. We recommend each individual to arrange their own personal health insurance. Participants take part at their own risk.

THE NEAREST HOSPITAL

Hôpital Charles Haby
