GDPR Regulations:

By entering the event, each competitor agrees to have their relevant personal data published in the form of entry lists, the start list and results lists which will be published on the event's webpage, IOF Eventor (only WRE classes) and the ORIS system (event management system for competitions organized by Czech Orienteering Association). Competitors running with GPS units provided by the organizer agree that they will record their route during the race, and this route will be published.

During the event, photographs will be taken to inform the public about the race. Also photographs can be taken for personal needs of competitors (such as race mementos, promotion of orienteering clubs), in particular during the prize giving ceremony and on the run-in to the finish. If you do not agree to be photographed, please let the photographer know explicitly.

General regulations:

The event takes place in accordance with the IOF rules, CSOS rules for orienteering and CSOS regulations for competitions in orienteering 2022.
