3. Classes and participation restrictions

Ski-O Tour: **W/M 21 Elite and W/M 20**
Open: **W/M Open**

For the first 3 Races also counting for the World Cup following procedure will be followed:

- All Athletes are allowed to participate in the SOT
- Athletes who are competing in WC will automatically be counted in the SOT overall ranking.
- Participants registered for SOT and not competing in the World Cup should start prior to the official world cup competitors at interval starts. In the pursuit, they will have their start position determined in the same way as the official world cup competitors. They cannot be awarded World Cup points or prize

4. Registration, Entry Fee

For the WC Races the registration will be done by the federations.
If they also run the 2nd Stage they have to register for these races via Eventor.
Athletes not competing in WC should register for all Races via Eventor.
