Map change * :

There is map change in some classes. When there is map change, the map is printed on both sides. You change map by turning your map at the map change control. Above you can see the courses with map change, marked with *

Start

Friday	1700m from arena, in the southeast direction, partly skiable, marked route must be followed
Saturday	At the arena
Sunday	200 m from arena, across the parking area

Start procedure:

-3 minutes: Name call and Emitag check

-2 minutes: Line up in the correct position your class, prepare to take your map

-1 minutes: Take your map, go to the start line.

0: Go. Have fun!

Punching system

Emit touch free punching system will be used.

In **WMSOC** private Emitags can be used. When registering in Eventor you can fill in the number of your personal Emitag. If you leave this open, you will be assigned a rental Emitag by the organizer. The fee for renting Emitag is 50 NOK pr day. The payment of Emitags must be done to the Event Office before the first start.

Model event:

The map for the model event can be found in Eventor. You will also get model event maps in the Event Office at the arena. The model event map shows the way from the village to the arena. It also shows the embargoed areas. The map of the Model Event is not updated and there are some new buildings and changes in infrastructure. Some manmade tracks are not on the map.

Training possibilities

Beitostølen has more than 300 kilometres of prepared cross-country tracks, all reachable from your hotel or cottage. The tracks are in forest and open mountain areas.

At **skisporet.no** https://skisporet.no/setView/61.1432353/11.7114258/6/norges_grunnkart you can see the status of all tracks

Waxing facilities

At the competition center at **Beitostølen Ski Arena** has free-to-use waxing cabins available. Limited capacity

Indoor waxing in apartments and cottages is not allowed
