JWOC2025: NATURAL PLAYGROUND OF TRENINO IS WAITING FOR YOU!

Nature and sport are a heritage that Trentino recognizes as an enormous wealth to be shared and enhanced. The Piné Plateau, Valsugana and Val di Cembra, in the heart of the Alps, are proud to host the JWOC2025, which represent an authentic concentration of the values on which we want to build the future of our small mountain communities: love for the territory, attention to young people, connection with many different cultures, and appreciation for voluntary work.

The sport of orienteering represents us for many reasons. Its playing field is the land, it respects the environment, it combines physical strength and tactical skills, it is silent and leaves no trace after its passage. Orienteering is a metaphor for life: setting a goal, establishing a strategy to reach it in the shortest possible time, giving oneself intermediate milestones, relying on, and trusting in simple tools to keep the right course.

The event will result from a collaboration between numerous sports clubs and hundreds of volunteers united by their love of sport. Thanks to all of them in advance for the time and passion they will use to organize this event.

I wish all participants excellent sporting results in our forests and in our historic villages, and above all to enjoy a unique experience in Trentino, in Valsugana, on the Piné Plateau.

JWOC2025: LA PALESTRA NATURALE DEL TRENINO VI ASPETTA!

La natura e lo sport sono un patrimonio che il Trentino riconosce come enorme ricchezza da condividere e valorizzare. L'Altopiano di Piné, la Valsugana e la Val di Cembra, nel cuore delle alpi, sono orgogliose di ospitare i JWOC2025 che rappresentano un autentico concentrato dei valori sui quali vogliamo costruire il futuro delle nostre piccole comunità montane: amore per il territorio, attenzione ai giovani, collegamento con tante culture diverse, valorizzazione del volontariato.

Lo sport dell'Orienteering ci rappresenta per tanti motivi. Il campo suo da gioco è il territorio, è rispettoso dell'ambiente, combina forza fisica e capacità tattiche, è silenzioso e non lascia traccia dopo il suo passaggio. L'orienteering rappresenta una metafora della vita: fissare un obiettivo, stabilire una strategia per raggiungerlo nel più breve tempo possibile, darsi milestones intermedie, affidarsi e fidarsi di strumenti semplici per mantenere la giusta rotta.

L'evento sarà frutto della collaborazione tra numerose società sportive e centinaia di volontari uniti dall'amore per lo sport. Grazie anticipatamente a tutti in anticipo per il tempo e la passione che userete per l'organizzazione di questo evento.

Auguro a tutti i partecipanti di ottenere ottimi risultati sportivi nei nostri boschi e nei nostri centri storici e soprattutto di vivere un'esperienza unica in Trentino, in Valsugana, sull'Altopiano di Piné.
