21-24/06/2024

First start

- Latest 5 minutes before the race start, first leg competitors of M18 move into the change over zone. For the other categories they move in immediately after the previous start.
- At the entrance to the zone:
 - Bib number and SIAC number check
 - SIAC Clear and SIAC Checks.
 - The maps are handed out rolled with a rubber band
- 2 minutes before start be ready at the start line.
- Count down begins 10 seconds before the start and they can remove the rubber band.

On the start signal, open the map and follow the marked route to the start

Change over

- **Competitors for the next leg enter the change over zone when they observe their team mate at the arena passage.**
 - **There is no pre warning from the organisers**
- **When entering the competitor receive their map rolled with a rubber band. *Please check the number on the back of the map!***
- **The rubber band can be removed when their team mate is in the run in.**
- **The map can be opened only after the change over (clap of hands).**
- **Starting runners follow the marked route to the starting point.**
- **Team officials are not allowed to go into the change over zone.**
