Greetings from IOF President Brian Porteous

If we ever doubted it, World Orienteering Day on 11 May 2016 proved once and for all that orienteering is a truly global sport. Participation in the day was especially strong in Asia and in welcoming everyone to the 5th Asian Orienteering Championships, I want to say a special thanks to all from Asia who supported World Orienteering Day. Also, I want, on behalf of the IOF to thank the Chinese Taipei Orienteering Association for hosting this important event on the occasion of their 20th birthday. To everyone involved -- athletes, coaches, organisers, sponsors and other supporters -- I wish you a most successful series of competitions. May you all have a wonderful time in Chinese Taipei and may you all continue to support our truly global and growing sport.
