## Classes and participation restrictions

WC/JWSOC/EYSOC has different classes: W17, M17, W20, M20, W21, M21

All competitors represent a National Federation. A competitor may represent only one National Federation during any one 12 month period running from November to October. Competitors shall have full passport-holding citizenship of the country of the National Federation they are representing.

### WC:

Each Federation may enter a team of an unlimited number of competitors and a number of team officials. Each Federation may enter up to 6 women and 6 men in each individual competition. In addition, each Federation may enter up to a further 2 women and 2 men, who qualify for the Women U23 and Men U23 classes respectively. In the Relay, each Federation may enter up to 3 teams, each consisting of 2 competitors. Each team must contain at least one woman. Athletes entered to the JWSOC or the EYSOC may complement Relay teams. All competitors must have a valid IOF Athlete Licence. Please ensure that the Athlete Licence fees are paid before the competitions.

### JWSOC

Each Federation may enter a team of up to 14 competitors - up to 7 women and up to 7 men - and an unlimited number of team officials. In each individual competition, each Federation may enter up to 6 women and 6 men. In the relay, each Federation may enter up to 2 women's and 2 men's teams, each consisting of 3 team members. If a Federation is unable to make up full relay teams, it may form incomplete teams or teams with competitors from other federations. Under no circumstances may persons, other than competitors entered for the competition, participate in the competition, with the exception of athletes entered to the EYSOC, who may complement JWSOC relay teams.
